## CHUCK-A-DUCK

---

At half-time, there will be the ever-popular **CHUCK-A-DUCK CONTEST!** All you have to do is buy rubber duckyies at our merch table before half-time to enter to win!

During the contest, a huge target is placed in the middle of the track. Duck throwers line up on the outside of the track and wait for the announcer's countdown "**READY... AIM... CHUCK YOUR DUCKS!**" Then all duck chuckers make it rain duckyies while aiming for the target. The closest duck to the bullseye **WINS!**

Winners get a deluxe basket of **CLTRD merch!**

**KID SKATER RACES** - During half-time kids are paired with a CLTRD skater. Using a foam noodle, they pull their skater around the track on foot in a race to the finish line! **Head to the KID'S TABLE and grab a waiver to participate.**

# THE BASICS

- 01 Each round is called a **JAM** and lasts up to 2 minutes. During each jam, the jammers try to pass the other skaters who must skate relatively close to one another in a group. This group is called **THE PACK**.
- 02 If a player receives a **PENALTY**, they must go to the penalty box for 30 seconds.
- 03 Only jammers can **SCORE POINTS**. They do this by passing the skaters on the opposing team. The first time they pass through the pack they do not score points. Each successive pass through the pack is called a **SCORING PASS** and they earn one point for each opposing player they pass. Both jammers can score points during the same jam.
- 04 The first jammer to make it through the pack legally is the **LEAD JAMMER**. The lead jammer can call off (end) the jam whenever they want. They do this by touching their hips repeatedly with both hands.
- 05 During a jam, the jammer may **PASS** their star **HELMET COVER** to the pivot. Once the pivot has the star helmet cover, they are considered the jammer for the rest of the jam.
